When the end has come and buildings falling down fast  
 When we spoilt the land and dried up all the sea  
 When everyone's lost their head all around us  
 You will find him you'll find him next to me  
 Never in my life have i met someone like him  
 I'm blown away by his love for me  
 If you ever wonder where it is you'll find him  
 You will find him you will find him next to me  
 Next to me ooooh  
 Next to me ooooh  
 Next to me ooooh  
 You will find him you'll find him next to me

When the moneys spent and all my friends have vanished  
 And I can't seem to find no help or love for free  
 I know there's no need for me to panic  
 Cause I'll find him I'll find him next to me

When the skies are grey and all the doors are closing  
 And the rising pressure makes it hard to breathe  
 All i need is a helping hand to stop the tears from  
 falling  
 I will find him will find him next to me

Next to me ooooh  
 Next to me ooooh  
 Next to me ooooh  
 You will find him you'll find him next to me
