Some people offered up answers  
 We made out like we heard  
 They were only words  
 They didn't add up  
 To a change in the way we were living  
 And the saddest thing  
 Is all of it could have been avoided

But it was like to stop consuming's  
 to stop being human  
 And why'd I make a change if you won't?  
 We're all in the same boat  
 Staying afloat for the moment

We walk the plank with our eyes wide open we  
 (walk the plank with our eyes wide open we)  
 And we walk the plank with our eyes wide open we  
 (walk the plank with our eyes wide open we) (x2)
